Measures to improve urban housing and employment in Arunachal Pradesh

- 142. SHRI NABAM REBIA: Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state:
- (a) what effective measures have been taken to improve urban housing and employment as well as poverty alleviation programmes in the State of Arunachal Pradesh during the last five years; and
- (b) the details thereof alongwith the funds allotted and spent, so far, on such schemes and programmes in the State?

THE MINISTER OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI JAGMOHAN): (a) and (b) During the last five years i.e. 1995-96 to 1999-2000. Government of India through Housing and Urban Development Corporation Ltd. (HUDCO) allocated a total loan of Rs. 628 crore to the State of Arunachal Pradesh for implementation of housing schemes under its normal housing programmes in addition under the 2 million Housing Programme (started in 1998-99), a target of financing 1509 houses every year has been fixed. But the agencies from the State did not avail any loan assistance from HUDCO during the last five years.

Under poverty alleviation programmes, Swarna Jayanti Shahari Rojgar Yojna (SJSRY) was launched with effect from 1.12.1997 by the Government on an all India basis, including Arunachal Pradesh for the benefit of urban poor. This programme seeks to provide gainful employment to the urban unemployed or underemployed poor through encouraging the setting up of self-employment ventures or provision of wage employment by utilising their labour for construction of socially and economically useful public assets. This programme targets the urban poor who have studied upto 9th class and are living below the poverty line, as defined from time to time.

The statement showing details of Central funds released and physical and financial achievements under the different components of the scheme in Arunachal Pradesh since inception is given at statement.
